## Medium of Instruction

教學語言

English is, and will continue to be, the Medium of Instruction (MOI) for most subjects in our School. As advised by the EDB, starting from 2022-2023, certain subjects in Junior Secondary One will be taught in Chinese for some students. This will be a strategy to cater for students' learning diversity. Moreover, relevant measures to facilitate students' smooth transition to the Senior Secondary Curriculum (English as the Medium) will be implemented. 本校向來主要以英語作為教學語言,亦將繼續主要以英語作為教學語言。但為了照顧學生學習差異,部分下學年中一新生的個別初中科目,於 2022-2023 學年起按教育局建議,以中文作為教學語言,並配合相應措施,幫助學生順利銜接至以英語授課之高中課程。
